Matters for Prayer

- Pray for our elder, John Rubens, as he preaches in Newquay this morning. Pray for the local ministers fraternal due to be held in Truro on Thursday morning.
- Phil and Lydia ask that we pray for the one to one meet ups with students this semester - 2 non-christian Indian men, in particular, Ambar and Manoj. Pray for christian students on the fringes of the church: that they would be more regular and involved more in church life. Pray for the guy's bible study starting up again on Thursday as they look together at Hebrews.
- Continue to pray for Bosco, Heidi and family and for the work of the gospel in the church in Uganda. Give thanks that Bosco's sister was recently converted.
- Continue to pray for Jonathan and Naomi Robinson and family in Senegal. Pray for them as they engage in the local culture as well as in language learning.
- Continue to pray for Early Rain Covenant Church in China. Pray for pastor Wang Yi who has been sentenced to nine years in criminal detention and elder Qin Defu, sentenced to four years of criminal detention. Pray for their families, for the church and for opportunities for them to witness to the love of Christ whilst they are in prison.
- Continue to pray for Dr Ken Elliott, kidnapped in Burkina Faso: over three years ago. Recent news suggests that he is still alive and we pray for his early release.
- Continue to pray for those members of church and congregation, particularly for those who struggle with health issues.
